CHANDRANKIT SHARMA

MAGICIAN & MENTALIST

A renowned Magician and Mentalist who believes in creating magic. With a unique and intellectual style, Chandrankit's Magic and Mentalism exclusive "The Madzik Show" has been a huge hit among the major corporate and entertainment industry.

ABOUT THE MAN

Chandrankit Sharma is a Magician, Mentalist and, Speaker who is redefining the way people feel about magic. He has performed thousands of shows for audiences in the USA, UK, Belgium, Dubai, and India.

Chandrankit is a graduate with a Gold Medal in Mechanical engineering and has worked with Infosys Ltd. after which he decided to follow his passion as a full-time Magician and Mentalist.

Through his work, Chandrankit is greatly invested in promoting the art and breaking the stereotype about "Indian Magic" - which is more than just for entertainment. He has a keen interest to share the functional aspects of magic which help to understand concepts like perception, assumption, awareness, influencing, and many more with practical and visual effects to make daily life simple.

When not performing magic, Chandrankit likes to spend time with kids in various NGOs and institutes helping them to build their knowledge and creativity with fun activities. He is an avid reader and believes in universal magic to refine human relationships and communication.
